

All about Sally

Sally is telling you all about her eczema but some of the words are missing. Can you fill in the spaces with the words below?

Hi! My name is Sally and I have eczema.

Eczema is a skin condition which makes my skin feel dry, _____ and _____.

I have eczema on my _____ and _____ but you can get it on any part of your body.

Eczema is not infectious so you can't _____ it from a person like you can a cold.

There are lots of things that can make _____ worse.

Animal _____ and _____ clothes makes my skin itch more.

To make my skin feel better I use special _____.

They help stop my _____ from getting too dry.

legs sore fur
woollen creams
itchy neck catch
eczema skin

Can you colour this picture of Sally and show where her eczema is?
