

# True or False?

Which are true and which are false?

Put a tick in the box by every sentence you think is right and a cross for every one you think is wrong.

- Eczema makes your hair fall out.
- Only young people get eczema.
- Eczema makes your skin dry and itchy.
- Scratching eczema makes it worse.
- Moisturising regularly helps eczema.
- You can't go swimming if you have eczema.
- You can't go and play outside if you have eczema.
- Eczema sometimes gets worse because of changes in the weather, getting too hot or having baths in bubbly bubble bath.
- You can catch eczema from touching someone who has it.
- A doctor can't help if you have eczema.
